# 1:5000 Cadastre Maps

# Encouraging GIS Users

- An increase of users means more data
- More data mapped, Less information Lost
- The Importance of accurate data

# Information Accuracy

Technology Improvement

Kern/Theodolite's

# Total Stations

# GNSS GPS

# UAV's / Drones

# Collecting data

- Question ( What other ways are there to Collect Data)

# Thank you all for listening

## Do you have any Questions?
